Michigan Softball Academy

to benefit The American Cancer Society, Making Strides Against Breast Cancer®

Sponsorship Opportunities – 2017

msoftballacademy.org

Join me and the Michigan Softball team for our 8th Annual Michigan Softball Academy on Wednesday, May 3 to benefit the American Cancer Society Making Strides Against Breast Cancer. The Academy will feature clinics led by players and coaches—for all levels of players. A social mixer and silent auction will top off the evening. Don't miss this opportunity to show your support in the fight against breast cancer and to celebrate cancer survivorship…all while learning a few new softball skills and building friendships on Alumni Field!
