## **NEW PARKING LOT ADDED THIS YEAR!**

We are thrilled that the Making Strides walk of Westchester has continued to grow over the past several years. In the past 5 years, we have gone from 10,000 walkers to 15,000 walkers— meaning MORE STRIDES in the Fight Against Breast Cancer.

As result of the increased volume, we have added an additional parking lot this year at the advisement of the Harrison Police. Please allow yourself additional time to get from the parking lots to registration. We will have golf carts shuttling people back and forth from the new lot to the main lots. In advance, we thank you for your support, cooperation and patience. We cannot Finish the Fight without you!.
