MAKING STRIDES
Against Breast Cancer®

*Share your passion so
no one walks alone.*

Dear Team Leader:

We are grateful you have decided to devote your passion and determination to helping create a world free from the pain and suffering of breast cancer.

Forming a fundraising team for this year's Making Strides Against Breast Cancer walk on October 22, 2016 at Cottonwood Mall will help the American Cancer Society ensure no one faces breast cancer alone by funding innovative breast cancer research; promoting education and risk reduction; and providing comprehensive patient support to those who need it most.

This kit provides everything you need to start fundraising today. The dollars you raise allow the American Cancer Society to be there for everyone in every community affected by breast cancer, including those who are currently dealing with a breast cancer diagnosis, those who may face one in the future, and those who may avoid one altogether thanks to education and risk reduction.

Enclosed please find:

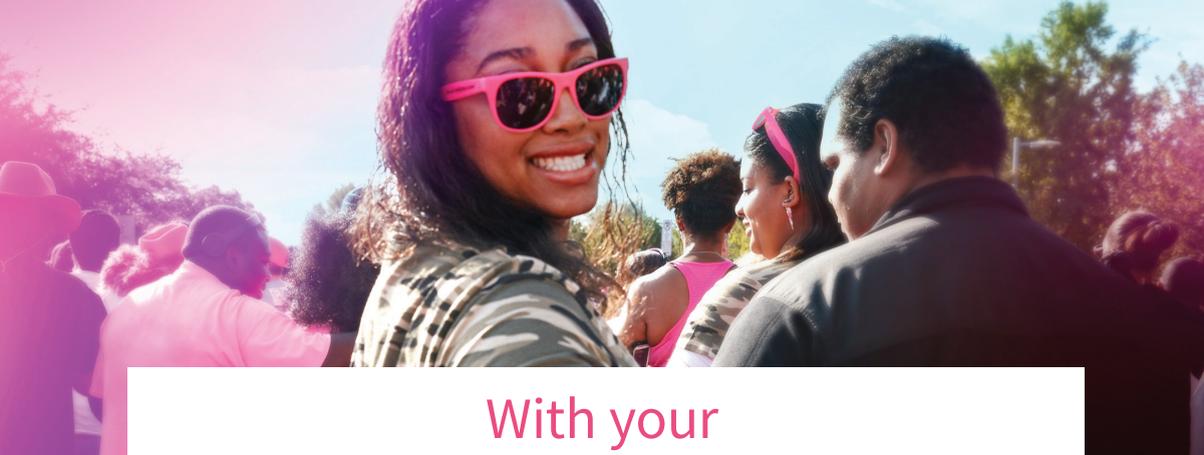

- Step-by-step instructions to sign up as a Team Leader and fundraise online at Makingstrideswalk.org/AlbuquerqueNM
- Tips to help you recruit your team and raise funds
- Examples of how your fundraising efforts help save lives from breast cancer
- Checklist of things to do between now and the walk to help you be a successful Team Leader
- Matching gift information - you may be able to double or even triple your team's donations through your company's matching gift program!
- Information on our Pacesetters Club - by individually raising at least \$2,500 for the Making Strides Against Breast Cancer walk, you can join our exclusive club for top fundraisers!

If you have any questions or need additional information, please contact us at 505.262.6021 or AlbuquerqueNMStrides@cancer.org.

Thank you again for joining us.

With your

PASSION

no one walks alone.

The American Cancer Society has an important mission – to free the world from the pain and suffering of breast cancer. Working with passionate, determined people like you is how we’re going to do it. The Making Strides Against Breast Cancer walk is a powerful event that raises awareness and funds to end breast cancer. Every year, over one million people gather in communities across the country to celebrate survivors and remember lost loved ones.

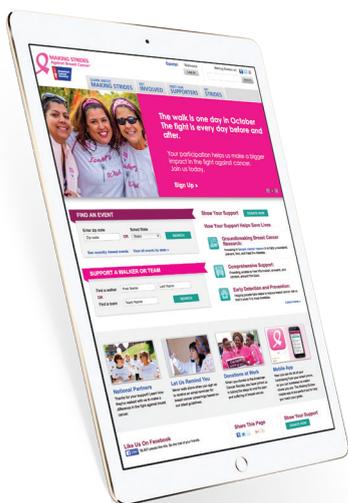

You can help us bring it all together.

With every dollar you raise, you help us fund innovative research, educate people about how to reduce their risk for breast cancer or detect it early, and simply provide a hand to hold. Because of your dedication, we can make sure that no one facing breast cancer has to walk alone.

Get started. 

Signing up is as easy as saying,

I CARE.

First, visit MakingStridesWalk.org to find your local event and start your team.

If you're a returning participant, log in with your username and password. You may need to update your login info, but don't worry, it's easy.

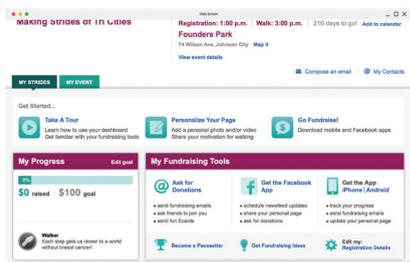

If you're a new participant, click "Create Account" to establish your username and password and go from there.

Next, set up your fundraising dashboard.

Your dashboard is your fundraising control center. Getting started couldn't be easier. Add a photo or two, and write your own story to personalize your page. Then it's easy to share with your friends and family using the email templates in the dashboard or through social media.

The dashboard not only makes fundraising simple with links to fundraising ideas, tracking sheets, and tools for building your team, but it also helps you get ready for the day with directions to the event, route maps, and more.

That's it. Sign up. Set up. Fundraise!

Your ideal
TEAM MEMBERS
are all around you.

They're your friends and family,

coworkers,

and neighbors.

Be sure to invite survivors.

The only requirement is passion.

By starting your team, you've taken an important first step in helping the American Cancer Society ensure that no one facing breast cancer has to do it alone. Every dollar you and your team raise helps us do even more.

FUNDRAISING

Making Strides Against Breast Cancer events allow the American Cancer Society to help save lives and ensure no one faces breast cancer alone.

Without team leaders like you, we couldn't do the potentially lifesaving work we do. The more walkers you recruit and the more money you raise, the bigger difference we can make to help save lives from breast cancer.

Fundraising can be simple. It's as easy as hosting potluck lunches at work or neighborhood bake sales. You can partner with local merchants to donate a percentage of proceeds to the cause. And, of course, the most straight-forward fundraising tactic is a direct appeal to friends and family. Visit MakingStridesWalk.org/TeamLeaderKit for many more fundraising ideas.

And be sure to look into whether your employer offers a matching gift program. If so, go to MatchingGifts.com/acs to complete and submit the required form.

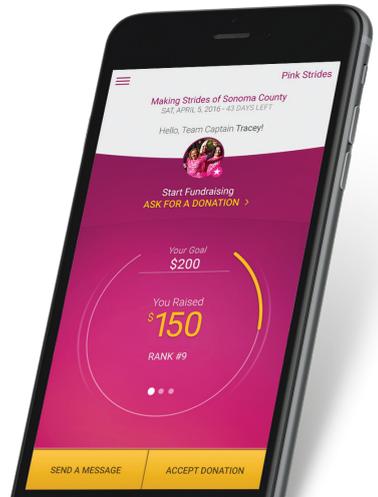

Aim high. Become a Pacesetter.

Raising more money is its own reward. But when you raise \$2,500 or more, you also qualify for the Pacesetters Club. And any team that raises at least \$25,000 qualifies for the Pacesetters Club as a team. Pacesetter Club members receive recognition at the Making Strides Against Breast Cancer event, a special gift, invitations to local events, and other perks.

Make fundraising easier by downloading our mobile app.

The American Cancer Society FUNdraising app allows you to send emails, track progress, and share on social media from anywhere at any time. Collecting credit card and check donations to support your fundraising efforts is easy and secure.

JOIN THE PACESETTERS CLUB

SHOW YOUR LEADERSHIP SO NO ONE WALKS ALONE.

Through their passion and determination, members of the Pacesetters Club achieve extraordinary fundraising results for Making Strides Against Breast Cancer events. And those results are helping the American Cancer Society get closer to a world free from the pain and suffering of breast cancer.

PACESETTERS CLUB MEMBERS

Becoming a Pacesetter is an opportunity to take your passion to the next level – because more money raised means more lives saved from breast cancer. Plus, Pacesetters receive special, year-round perks, which may include:

- Acknowledgment at the Making Strides Against Breast Cancer event
- Special recognition gift
- Invitations to local events
- The honor and pride of knowing you're helping to save lives from breast cancer
- Access to the Pacesetter tent sponsored by Mark Diamond's Jewelers on walk day

GET STARTED TODAY!

- Sign up online at Makingstrideswalk.org/AlbuquerqueNM to participate in Making Strides Against Breast Cancer of Albuquerque.
- Set your individual fundraising goal at \$2,500 or higher.
- Send an email to your family, friends, and coworkers, asking them to support you with a donation.

Once you raise \$2,500 or more, you'll be a 2016 Pacesetters Club member. Pacesetters are determined yearly based on the total donations collected for the Making Strides walk. Become a Pacesetter today, and challenge others to join you.

HONOR LOVED ONES TOUCHED BY BREAST CANCER. CREATE A WALL OF HOPE.

A Making Strides Against Breast Cancer Wall of Hope gets people's attention and motivates them to help the American Cancer Society create a world free from the pain and suffering of breast cancer. It's easy. Just use the pink ribbon donation cards to get started.

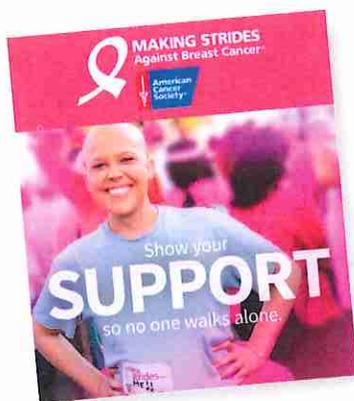

HOW A WALL OF HOPE WORKS

- Ask permission to post pink ribbon donation cards in a common area at work, school, or an organization.
- Set up a table during high-traffic hours to provide and distribute information, sign up walkers, and ask for donations. Give each donor a pink ribbon card to fill out. Donors can either write their own name or honor or remember a friend or loved one. Hang the cards on a wall to form your Wall of Hope. Watch your donations increase every time someone fills out a card.
- Can't set up a table? Give out pink ribbon cards as people donate to your team, and add them to your Wall of Hope.
- If your Wall of Hope is at work, take a photo for the company newsletter. If your display is somewhere in your community, take a photo for the local newspaper.

Contact your American Cancer Society for more pink ribbon donation cards or if you have a Wall of Hope idea to share. Wherever you display your Wall of Hope, you will help the American Cancer Society create a world free from the pain and suffering of breast cancer.

BE CREATIVE! YOU CAN CREATE A WALL OF HOPE ALMOST ANYWHERE.

- Workplace lobbies, break rooms, and dining areas
- Health clubs
- Schools
- Places of worship

SAVING LIVES

With your help, we're moving closer to a world free from the pain and suffering caused by breast cancer. The money you raise provides support to each person in every community impacted by this disease. From research to education, prevention to diagnosis, and treatment to recovery, we are there every step of the way.

You and your team are making a tremendous impact. Here's how the money you're raising is helping the American Cancer Society save lives from breast cancer:

Promoting prevention and early detection in every community

Supporting people throughout their breast cancer experience by providing 24/7 phone support, rides to treatment, places to stay when treatment is away from home, or even just a hand to hold

Funding innovative breast cancer research to better understand, prevent, find, and treat the disease

Empowering those touched by cancer by working with legislators to pass laws fighting breast cancer with the American Cancer Society Cancer Action NetworkSM, the Society's advocacy affiliate

Without your
COMMITMENT
the American Cancer Society wouldn't
be able to complete its mission.

THANK YOU

“ STORIES OF HOPE

On July 15, 1996, I heard the words, “The lump is malignant!” The date and the words are forever branded into my memory!... From the time I found the lump until the moment I woke from these surgeries, I felt that my life was being taken over by doctors and tests and appointments – that I had lost all control... Thank goodness for the American Cancer Society! I found I could call and get information, talk to a real person, have a shoulder to cry on, and request information that would help me make decisions. Along with my strong support group, the American Cancer Society was there to hold my hand whenever I needed it. My struggles have resulted in a new set of words forever branded into my memory: “I am a survivor!”
