American Cancer Society Making Strides Against Breast Cancer
Garden of Hope Tribute Signs Registration Form

On May 5th, at Discovery World, in Milwaukee, Making Strides Against Breast Cancer will remember and honor loved ones through the Garden of Hope. A special area will be lined with tribute signs to honor those who have survived breast cancer, in memory of those who did not and in appreciation of those who helped them fight this disease.

The honorees' names are prominently displayed on the tribute signs reminding and inspiring all that the fight against cancer is about real people in our community. We invite you to be a part of the fight against breast cancer within our community. Tribute signs are a suggested donation of \$10 for each individual honored. Please fill out the form below to honor each friend and loved one who has faced breast cancer. Your contributions will make a difference and save lives!

Please place a Garden of Hope Tribute Sign in honor or memory of my loved one who has / had breast cancer. I understand the proceeds will benefit the American Cancer Society in the fight against cancer.
