Each year, we listen to the feedback we receive from our participants, our survivors, our sponsors, etc.

We will be sending out a survey this month specific to our Making Strides event. Please look for this via email.

We invite you to please take some time and provide some feedback to our event planning team.

We want your suggestions & ideas so we can continue to grow this event and ensure we are providing a wonderful event experience!

Also, if you have any connections to any potential entertainment,

volunteers, sponsors, food vendors, etc.. Please let us know!

If there was something that was not covered in the survey but you want to be sure to let us know, please feel free to reach out to your Staff Partner, Amanda at makingstrideswalk.org/ChampaignIL.

THANK YOU in advance for your participation in this survey.

May is Skin Cancer Awareness month—

3.5 million cases are of non-melanoma skin cancer are diagnosed in the U.S. each year, that is more than all other cancers combined! The good news is that you can do a lot to protect yourself and your family from skin cancer.

Be sure to use a broad spectrum sunscreen to protect against UVA and UVB rays that is at least 30 SPF. Opt for the shade when possible and when you're in the sun wear sunglasses, hats and other protective clothing.

MOST SKIN CANCERS ARE CAUSED BY THE SUN'S UVA AND UVB ULTRAVIOLET (UV) RAYS
