How does your Making Strides Against Breast Cancer team set an attainable fundraising goal? It's easy to think big if you break achieving your team fundraising goal into smaller steps. Use this worksheet to figure out how much your team can raise.

Meet with your team.

Fundraising is the entire team's responsibility. Gather your team to discuss contacts, resources, and strategies that can increase your team's fundraising success.

Set individual fundraising goals.

Determine how much each of your team members will be able to raise individually through personal asks, matching gifts, online fundraising, etc.

Brainstorm team fundraisers.

What fundraising activities interest your team? How many fundraisers would your team like to do? Were past fundraisers successful? If so, how can you improve them for this year? Use the Team Fundraiser Planning Guide as a resource.

How to Raise \$100 in 10 days:

1. Put in your own \$10 donation.
2. Ask your significant other for \$10.
3. Place a canister at your place of employment.
4. Ask a coworker for \$10.
