Help Orlando Strides Win the Race to the Top!

Orlando Strides is in a fundraising race with Broward. We are the #1 MSABC walk in number of participants—in the world but we are falling behind in money raised. The race is with another Florida walk, Making Strides of Broward. Come on Orlando! Help us raise the money to reach our goal of \$1,000,000 and win our race with Broward. We are currently \$10,000 behind, but we have until December 31 to keep fundraising for this year's walk. Every dollar counts! We can do it!

**NOTHING'S
GOING TO
STOP YOUR
PATIENTS!**

Even if they don't have insurance. Screening Mammography is a lifesaving technology and we commit to you.

From September 1st to December 31st any patient without insurance will get their screening mammogram done at no cost to them.
